# *A Letter to the Senior Class of 2016*

It is with mixed emotions that I say congratulations and good luck to the students in the Class of 2016. I will most certainly miss this class for the positive legacy you have left behind. I am proud to have been your assistant principal and have the opportunity to watch you grow into remarkable people these past four years. Your character, integrity, concern for others, and ability to overcome challenges stand out among your special attributes.

On September 5, 2012 we came together for the first time when you began your high school journey as freshmen. I started my career at Dighton-Rehoboth on the same day you began the 9th grade. What I remember from your freshmen year is that you were motivated to succeed academically, thrived socially among your peers, and got involved in extracurricular activities and athletics. Throughout your high school experience, you encountered adversity but supported each other and worked with our staff to address the issues that arose for you. Whether high school was a time that was challenging, easy, or uneventful, I am hopeful that each of you are proud of the legacy you leave behind and are excited for the future. Beyond individual accolades which you have achieved, I will remember this class for your ability to help each other and come together in times of celebration and also in times of great adversity. Some of your most noteworthy accomplishments for this class have occurred outside the academic classroom. After all, this was the first class as juniors to “almost” win the can drive during spirit week! As seniors, you continued to impress by winning spirit week as a whole but also motivating underclassmen to follow your positive example. You have so much to celebrate whether it has been assisting peers on the athletic fields with your best team effort, supporting a peer in Best Buddies, or accepting a leadership role formally or informally in a situation that once felt uncomfortable. Over the past four years, we have celebrated your academic achievements through scholarly performances on standardized tests, inductions into the National Honor Society, and recognitions at the first ever Junior Awards Ceremony. At the Celebration of Excellence we had the opportunity to acknowledge all of the wonderful accomplishments of the Class of 2016. I have watched you perform on the athletic fields, on stage in the auditorium, and participate in a range of clubs and activities. I have enjoyed your memorable Homecoming dances, Winter Balls, Mr. DR (kinda), the talent show, and proms. I have been so humbled to be apart of your class history and each of your lives, especially, since this is the first class I have worked with for four years as an assistant principal.

*Mr. John Harrison, Assistant Principal*

As you move forward, I hope you will keep your friendships with each other and remember that Dighton-Rehoboth Regional High School is a place you can always come back to. As you move into your next steps in life whether it be service, work, or college, please look back at your time as a falcon as a stepping stone for the great things you will accomplish. I encourage you all to follow your passion, make a difference in the world, and then never lose sight of having empathy for others which will always be the reputation that defines the Class of 2016.

## *To the Class of 2016:*

Since September, I have been helping work on this year's yearbook with the hope that it would capture how glorious our last year at Dighton Rehoboth Regional High School was. I am confident that the yearbook this year not only does this, but also tells the story of our class's greatness. The seniors this year embodied school spirit like no other class before us. We dressed in ridiculous amounts of green and gold during spirit week, cheered on our football team at the annual Thanksgiving Day game, and danced our hearts out at winter ball. This yearbook shows all of these unforgettable moments and the many others that we will not soon forget.

It has been a pleasure seeing how many memorable times we shared this year, but now as we near the end of our high school careers, I encourage each of you to reminisce and think about a very special photo not in this yearbook. That photo is the one of yourself from that very first day of freshman year. I guarantee that for most of us this image of our fourteen-year-old self will bring back many memories about how exciting as well as nerve-racking starting high school was. We had no idea what high school would be like and for those first few weeks we faced the challenges that every high school freshman does, such as forgetting our locker combination or getting lost on our way to class. However, these challenges did not faze us because we were facing them together. Since the beginning of freshman year, we have been there to always support one another and I think that is what many will remember about the class of 2016 years after we are gone.

As unbelievable as it seems, we are about to embark on this next chapter in our lives. We'll probably take many new photos along the way, but that photo from our first day of high school and the photos in this yearbook will be a reminder that no matter where we go, our roots will always be at DR. We may lose touch with one another as we are out exploring the real world and accomplishing the amazing things we only dreamed of in high school, but the relationships and memories we made while here will always be a part of who we are.

# A Message From Administration

## **Dr. Anthony Azar, Superintendent of Schools**

---

To the Class of 2016:

Congratulations on all of your achievements that have culminated into graduation from Dighton-Rehoboth Regional High School. I would like to share the following quote by the late César Chávez.

*"Our ambitions must be broad enough to include the aspirations and needs of others, for their sake and for our own."*

My hope is that these words will resonate with you for your entire life. Be well and enjoy life.

Sincerely,  
Dr. Azar

## **Ms. Kerri Anne Quinlan-Zhou , Assistant Superintendent**

---

Congratulations on your accomplishments collectively and individually. Although graduation feels like a time of closure, it is also a time of new beginnings as you launch into the next chapter of your life. As you move forward on your chosen paths, go confidently knowing that the lessons that you learned here will serve you well in life, career and higher education. Best wishes on your graduation.

## **Mr. Kevin Braga, Principal**

---

Congratulations to you, your families, and all of your supporters! It has been a pleasure to watch each of you grow and develop into young adults over the last four years. As you embark on your next journey having earned this accolade, I charge you not to settle, but to continue to nurture excellence in each of your endeavors. Use your Dighton-Rehoboth education as another important building block for the rest of your lives. Continue to demonstrate your leadership to your peers, serving as a role-models to them, and validating why you embody the "DR Difference." Continue to make us proud!

## Ms. Juanita Digioia, Assistant Principal

Congratulations to the Class of 2016! I have had the great opportunity to get to know you throughout your four years at DRRHS. This has provided me the great chance to watch you grow and mature into the young adults you are today. I have been able to witness you succeed in the classroom, build lasting friendships, overcome adversities, win awards, break records, win scholarships, perform on stage, and compete on the fields. You are a gifted class and will achieve greatness. *"Never settle for your present level of achievement."* Work hard and you will succeed! I wish you nothing but the best!

## Mr. Douglas Kelley, Dean of Student Activities and Athletics

Congratulations DR Class of 2016!  
*You are the DR Difference!*

As I entered my second year as Dean of Student Activities and Athletics here at Dighton- Rehoboth Regional High School, I have been reflecting on the past twenty two years that I've actually spent at this wonderful institution. Soon after coming to DR in the "Dean" capacity, I have come to realize just how much we have to offer our students. And it truly is awesome! To watch you excel in the classroom, in athletics, and in our art and music departments, has left me often awestruck. I hope that you took full advantage of your time spent here at DR, and that you will always remember the "DR Difference" slogan that we so often hung our hat on. Whether you were an athlete, marched in our band, cheered, took part in our shows, or any of the over 50 activities that we offered, I hope you took something positive from those organizations that will stay with you for the rest of your lives.

You will always remember our school colors, our school mascot, dances, and Friday nights under the lights. As you depart DR, I am positive and proud of one thing for sure. That we as a faculty tried to shape you not only as a great student, but as a great person! To give you the "life tools" to move on to the next level no matter where that may take you. Through our teachings in academics, sports or activities, please know that each one of you were cared for greatly while you were here with us. Class of 2016 you will not soon be forgotten.

Thank you for your effort, determination, and excellence! Good Luck! Go Falcons!

## Ms. Stasia Peters, CTE Director

## Dighton-Rehoboth Best Buddies

Andy Howland made national news when he beat Norton's undefeated senior Deven Schuko. DR would like to thank Deven as well as the Norton High School community for "tangling" with DR's finest, Andy Howland. Andy personifies *DR Difference*. Thanks to local news agencies, Andy's story was brought to light. Way to go Andy!

We Are Unified!
